

Eschler Textil GmbH is a competent partner for innovative textiles with technical applications. As a subsidiary of the Swiss company Schoeller Textil AG, we develop, produce, and distribute warp knitted fabrics at our location in Balingen-Frommern for the medical, orthopedic, and cleaning textile sectors, as well as many other specialty areas. "Quality over quantity" - the guiding principle of our founder, Christian Eschler, still guides us today. In practical terms, this means that we produce innovative fabrics instead of mass-produced goods.

We employ individuals who identify with our values and make the company's goals their own. We offer an interesting and diverse position in a growing company.

To strengthen our team in Balingen-Frommern, we are currently looking for a:

Sales Manager (m/f/d) Orthopedic- / Medical Textiles

Your Area of Responsibility

- Active acquisition of new customers (DE / EU)
- Support and expansion of existing customers
- Participation in marketing strategy
- Responsibility for product strategy - market research
- Project management
- Technical consultation and commercial negotiations
- Conducting company and product presentations
- Customer and trade show visits

Your Profile

- Technical education, ideally as an engineer (m/f/d), industrial foreman (m/f/d), or technician (m/f/d)
- Several years of professional experience
- Very good English language skills
- Willingness to travel
- Ability to work independently and take responsibility
- High integrity, flexibility, and commitment
- Logical, analytical, customer- and solution-oriented thinking and acting

Your Benefits

We offer not only interesting areas of responsibility but also attractive employment conditions and diverse perspectives and development opportunities. A familial working atmosphere, trust, and openness make working at Eschler pleasant.

We look forward to hearing from you:
